“The EMS FDNY Help Fund was established in 2017 immediately following the Line of Duty Death of our Sister, Emergency Medical Technician Yadira Arroyo, when she was run over by her own Ambulance. It was this heartbreaking event that sparked the urgent needs for funds to be raised to support our members surviving families. Our mission is to ensure the security of our Emergency Medical Technicians & Paramedics and their families in the event of death, injury, illness or hardship. Our Emergency Medical Technicians & Paramedics can now have a peace of mind, in the knowledge that their families will be taken care of should the unthinkable occur.”
