

Now let's protect them

Category: News

[EMS FDNY Help Fund - Sirens can be heard at all hours of the day across New York City. These sirens represent thousands of EMTs from CODE 3 & Empower UAV on Vimeo.](#)

MEMBERS: Please help us get this message out to all of your brothers and sisters. Please share and continue to follow us! You are there for us. Now we are trying to support you with confidential counseling services. FDNY EMS members who are interested in taking advantage of confidential counseling services for PTSD, etc. can sign up via the following link:
